Art Show
As a part of Old Home Day, the Charlton Cultural Council sponsors the Annual Art Show in the Town Hall from 10 AM to 3 PM on Labor Day. The fine work of local artists in various formats is on display, hanging on the walls, set on tripods or tables for all to enjoy.

Frog Jumping Contest
Frog jumping starts at 11:00 and was made famous in a short story by Mark Twain, Charlton has its own version of 'Leaping Lizards' where residents hunt for what they believe will be a great jumping frog in the local wetlands. Of course, great care is taken for their good health when bringing their friend to the contest. Frogs are placed on a tree stump and as fans patiently await, sometimes spurred on by clapping, the frog takes its giant leap. Measures are taken and judges tally the results to find the GREATEST JUMPER in Charlton. Come join the fun!

The Soap Box Derby is an annual favorite!
It is held Labor Day morning at 7:30 AM on Muggett Hill Road. There first race cars were made out of wooden crates, sheet metal, wheels off a baby stroller and even REAL soap boxes. This event has been part of Old Home Day in Charlton for over 30 years.
The good thing about soap box racing is that you need to be both a good racer and a good builder. Kids should build their own cars. This means they can't just sit inside and watch while Dad does the work in the garage - but Dad or Mom can help! Soap Box Pre-Race Activity - there will be a mandatory derby car inspection.

50th Road Race
The Road Race is an annual Old Home Day event! It's a five mile run around the common area beginning at 9:00 AM. Spectators get a front row seat as the runners pass before them three times before they come back to the Common for the finish.
Kid Road Race will begin @ 11:00 and run 1 loop around the Town Common.
