

Darlene Tully
Candidate for Town Clerk

My name is Darlene Tully and I am running for the Town Clerks position.

I have lived in the Town of Charlton all my life. I have been married to Dennis for 26 years and we have three great children, Eric, Megan and Emily. We also have two grandsons who we adore.

I am currently the Town Clerk and have been since February of 2010. Prior to that, I had been the Assistant Town Clerk for 16 years. I started working elections for the town in 1988, the first one I worked was the Presidential Election when we hand counted ballots and we counted until 4 in the morning. We have really come a long way since then.

The office of Town Clerk has grown immensely over the years. My goal in this office is to serve the public and the tax payers to the best of my ability. The Town Clerks Office has been putting as much information on the website to keep the people informed on what is happening in the office. We have put forms to fill in on the site so it will be easily accessible to the general public. You can check out our website at www.townofcharlton.net.

We are in the process of going from three to four precincts by the end of this year and will be busy preparing for a busy election year in 2012.

One of my biggest assets that I can bring to the job is my ability to work well with others. I feel I have the experience and the knowledge to continue being your Town Clerk.

I would appreciate your support and your vote on May 7th.

Thank you,
Darlene Tully
