

My name is Deborah Marquis and I am running for the one year seat on the Dudley-Charlton School Committee. As a retired elementary school teacher, I have a great interest in education and our schools. I have a Bachelor of Science and a Master's degree in elementary education. I taught in Spencer for over 30 years and currently volunteer at the Charlton Elementary School. I understand many of the needs and issues in a school system. My two sons, Jeffrey and Justin, attended our district schools. Since my husband Wayne is a business owner, I am, also, aware of the need to work within a budget. I have lived in Charlton on Baker Pond for 30 years and have been on the board of directors of the Baker Pond Association and its secretary for many years. I am currently on the Charlton Recycling Committee, also.

If I am elected I will make every effort to work cooperatively with the other committee members and represent the best interests of the town. Thank you for your consideration. Deborah Marquis
