Press Release

The Trustees of the Charlton Public Library are pleased to announce the Restoration of the Cupola atop the Charlton Public Library. This project is being fully funded by donations made to the Charlton Public Library Charitable Trust Fund. We anticipate the cupola restoration to take several weeks. The project will include replacing the eight structural columns, the entire railing system, installing a new roof on both flat levels and improving the lighting. The entire structure will be repainted.

The Trustees of the Charlton Public Library are proud to continue its efforts to *"Make our Treasure Shine"*.
