Hi Todd,

The following streets will be trimmed out as part of the planned maintenance work for this circuit:

Route 20, H Putnam Ext, Masonic Home, Main St, N. Main, Burlingame, T Hall, Old Worcester, Dresser Hill, Freeman, Muggett Hill, Sampson, Capen,

No. 10 Schoolhouse, Hill, Berry Corner, Barefoot, Carpenter Hill, Griffin, S. Sturbridge, Gillespie, Boucher, Flint, Old Town, Prindle Hill, Oakridge Dr, Pumpkin Lane, Gulf Wood, Baylies/E. Baylies, Blood/E. Blood, Old Muggett Hill, Bond, No. 6 Schoolhouse, Daniels, Ramshorn, Colburn, Haggerty, Baker Pond, Lincoln Point, Shore Dr, Baker Pond Estates.

Let me know if you have any questions/problems.

If people want their services trimmed out I can accommodate them, but Asplundh will not do this as it is not included in the bid (unless they have a single phase tap that goes up a long driveway to a transformer). I can send my hourly one man truck out to address customer concerns on a case-by-case basis if warranted.
