

Charlton Recycling Committee Minutes

February 13, 2020

The meeting began at 4:00 pm at Deb Marquis' house. Present were Kathleen Walker and Deborah Marquis.

Deb and Kathleen discussed the Recycling and Solid Waste Survey that we complete every year at this time for the state. It was due by Feb. 15, 2020. Kara Hmielowski in the Selectman's office completed it with Deb Marquis.

Kathleen mentioned trying to get new members for the Recycling Committee and will see if any Earth Day Committee people are interested in joining. She said there is a list in town of committees that need people.

Andrea Humphries at the Board of Health created the voucher and the flier for Household Hazardous Waste Days to alert Charlton residents about the free \$30.00 vouchers that can be used at the Southbridge HHWDs in March and July. There are 100 of the vouchers. Deb Marquis said she would bring the flier around town to businesses and offices this month.

Deb Marquis has been looking for items to buy using the profits from our grant sales. The committee voted to have her buy from Trending Ideas some grocery store shopping bags that hang on the shopping cart. They have not come yet so she will contact the company before the next meeting.

This meeting was short since our other three members were unable to attend. It ended at 4:45 pm.
